Mrs. Anderson Taylor, who was assaulted in the Cabinet saloon several days ago, is reported to be in a serious condition. Her face is badly swollen and she is unable to use her right eye. The woman needs medical attention but, it is asserted, she is unable to secure it for lack of funds. Though the man charged with assaulting her was released after a hearing in justice court her husband says he will make complaint before the district attorney and have the case brought before the attention of the grand jury.

PLANS COMPLETE FOR BOY SCOUTS' JOURNEY

TRIP TO CLIFF DWELLINGS WILL BE MADE ON FOOT BY YOUNGSTERS

Information concerning the trip to Santa Fe and the cliff dwellings near Espanola upon which Scoutmaster George Fitzsimmons expects to take a delegation of thirty Boy Scouts early next month, will soon be mailed to the parents of the scouts. It is the plan to make the trip entirely overland. A week or ten days will be consumed in the journey. Carrying cooking utensils, provisions and bedding in the three wagons that will make up the caravan, the boys will camp when nightfall overtakes them. The greater part of the journey will be made on foot, none of the boys being allowed to ride on the wagons unless they are foot sore or ill. The trip will be made so slowly, however, that it will not be a tax upon the boys' endurance. Mr. Fitzsimmons probably will be assisted in managing the boys in his charge by B. S. Hale and Ted Hayward. The trip will be one of great educational value to the boys and they are saving their pennies to meet the expenses of the journey.

Fitch's Golden Wedding Rye, aged in the wood. Direct from distillery to you. At the Lobby, of course.
